

HAMBURG SCHOOL OF INFECTION & IMMUNITY (HSII)

Check-List to enroll for the UKE PhD Program (non-medical students)

To enroll as a PhD Student at UKE please have a look at the information online:

<https://www.uke.de/forschung/promotion-phd-habilitation/phd-programm-nicht-medizin/index.html> (German)

<https://www.uke.de/english/research/promotion-phd-habilitation/phd-program-non-medicine/index.html> (English)

In addition, please be sure to read the “*Leitfaden zum Promotionsverfahren*” which you can find here:

<https://www.uke.de/forschung/promotion-phd-habilitation/phd-programm-nicht-medizin/index.html> (German only)

Complete the application form online:

For applicants from EU-member States:

https://elearning.uke.uni-hamburg.de/eval/phd_nicht_medizin.html (German)

http://elearning.uke.uni-hamburg.de/eval/phd_non_med.html (English).

Applicants from non-EU-member States should check the requirements on the UKE-Website.

Sign the supervisory agreement:

https://elearning.uke.uni-hamburg.de/eval/phd_nicht_medizin.html (German)

http://elearning.uke.uni-hamburg.de/eval/phd_non_med.html (English).

Send all documents via email to the Office for Medical Doctorate and PhD students (promotionsbuero@uke.de) together with:

- Your high school degree (copy)
- Your university degrees (copy)
- Further documentation of your research activities.

IMPORTANT: Always submit **original signatures**. Scanned signatures are not accepted. The application will be rejected. It is advisable to make an appointment with the Deanery office in advance. You will be asked to present your original documents.

PLEASE NOTE:

Be sure to enroll as a PhD Student as soon as possible. The enrollment in the UKE PhD Program is required in order to attend the ABHS skills and interdisciplinary seminars. The PhD Admission Committee for non-medical students meets on regular basis. Applications for admission and other applications **must be submitted to the doctoral office at least 21 days before the meeting date**. Please submit only complete applications to the doctoral office. Applications with missing documents (certificates, signatures, etc.) will not be submitted to the PhD Committee.

Meetings of the Admission Committee for 2024:
