# mastercl@ss

**ON AIR**

January 17-18, 2019

LIVE FROM HAMBURG

The new unique educative live format for vascular surgeons!

### **Experience**

- live state of the art procedures,
- distinguished experts,
- invasive vascular therapies with annually varying main focus,
- livestream with face to face on-site event in Hamburg, including »Meet the Expert«.

This event sets the starting point for a series of educational mastercl@ss formats – on site and online, and for the creation of a web-based library.

**Unable to come to Hamburg? The event will be live-streamed!**
